WEDDINGS

Perfect for a wedding with a difference, Scale is a unique converted warehouse venue with brick walls and reclaimed wooden flooring based in the heart of Liverpool.

We offer a range of options to suit different needs, we can assist you in building a bespoke package of any additional services you may need.

ABOUT US AND WHAT'S INCLUDED

- Scale is a 3500 sqft converted warehouse with a standing capacity of 200 but we suggest 150 for any seated events.
- We are fully accessible with a lift which stops right outside our entrance, and a disabled access bathroom on the ground floor.
- Option of using our 80ft of festoon lighting.
- PA system.
- Wireless microphone for speeches.
- We have a list of suppliers we work closely with, please request our recommendations list or check out our featured wedding page on our website.
- An experienced events and bar team to help your day run seamlessly!

CATERING

We work closely with our preferred caterer Fig and the Wild. Alison and the team can provide anything from hand crafted canapés, rustic sharing platters or bespoke menus using local independent suppliers.

External caterers are also welcome, so please let us know if there is something specific you are after and we can point you in the right direction.

EVENT STYLIST AND PLANNER

All bookings come with a free consultation with our event stylist Spark Alice, who offers a discounted price to any events held at Scale.

Spark Alice can liaise with all suppliers on your behalf, organise everything from table linen to flowers and take the stress out of wedding planning for you.

WEDDING CEREMONIES

We are officially licensed to hold legal civil partnerships and civil marriage ceremonies in the space (yay!).

A celebrant service can still be offered as a beautiful addition to the day and can be held before your wedding breakfast/reception.

Our ceremonies can take place in Scale or in our brand spanking new ground floor venue at [Fabric Studios](#).

Request our inspiration pack to envision your special ceremony in our new infinity cove studio.
